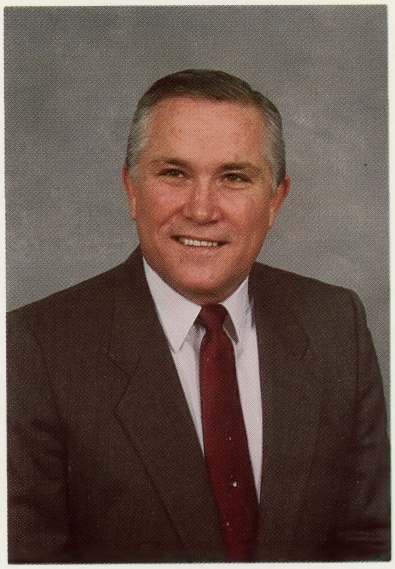
It's On My Heart



Phillip E. Simmons
Senior Pastor

Every member of North Richland Hills Baptist Church is a vital part of our local body. This pictorial directory includes many of our church family and given each one of us a chance to put a face to a name that we might not know. I only wish that it could have included every member.

Each and every one of you is special to God. As a church body, we have many varied talents and gifts. Our Lord desires to see each and everyone of us use these to continue His work. Won't you make a difference by reaching out to those that have hurts or burdens.

Being a part of North Richland Hills Baptist Church means many different things these days. We are committed to reaching the "lost" of not only NE Tarrant County, but to impact the entire Fort Worth Metropolitan area.

Our Cornerstone Ministries have come into full swing this year. The Cornerstone Counseling Center is on it's feet and helping people deal with areas of their lives that require spiritual and emotional healing. The Cornerstone Mission Ministry is reaching out to the apartment and complexes and other alternative mission points by offering Bible Studies, etc. Cornerstone Assistance Network is a state recognized non-profit organization dedicated to helping people in need of work, food, clothing, or housing and sharing the Gospel of Jesus with them.

It is my prayer that each one of you will maximize your God given talents to glorify our Lord and Savior, Jesus Christ.

In Christ,

Phillip E. Simmons
